**\*\*Bad Weather Notice\*\*** If the weather turns bad in February or March and you think the meeting may have been cancelled, please check your email or call the union office at 216-267-1645 to check. The office will be notified by 9:00 am. Nothing is more important than your safety. Drive carefully and be safe!

**\*\*Email Addresses\*\*** The Club is trying to get a list of members' email addresses to send out weather alerts and important club news reminders. This will also be used, when possible, to alert you of a member's death, with information about when and where their funeral will be held. (This will only happen if the union office receives the information in a timely manner.)

If you would like to participate and receive information from the Retirees' Club, please send a short email to Sandy Dobies at [sandyd6201@cox.net](mailto:sandyd6201@cox.net) and we will add you to our growing list! If you have already given your email address you do not have to send it unless it has changed. **\*\*Your email address will not be given to anyone, including other club members. It will only be used for club notices\*\***
